Have best intel service in world

Want to do everything to keep it that way

Always looking for suggestions

Can do better with your help and advice

In part bec opened up more

- No way avoid - after all exposure
- Basic precept of US Gov't is max visibility

Faith in public

- No way claim cannot share unclass info - or that don't have unclass
- Dangerous to us to withdraw into previous anonymity

-- Mistakes

-- Can't do w/degree oversight/
interest

Pos benefits of providing service to public

- Understand us - less concerned -
- When "failure" overbilled by media - can place in perspective, e.g., oil, energy studies
